

XPAK MAILERS

Key Features:

Made from 100% polyethylene

Entirely recyclable

High slip lining

Allows easier product insertion and extraction, increasing productivity

Hot-melt self-seal closure

Tamper-evident, increases content security

Bubble lining

Provides cushioning to reduce shipping damage

Polyethylene exterior

Improved strength provides better protection than kraft mailers

White outer shell

Clean appearance is aesthetically pleasing

Improved printability

Customized labeling or advertising is ideal for promotional mailings
