Magnum Automatic Bag Sealers

MAGNUM SERIES

Your **only** source for inline bag-making systems

MagnumForce

TAKE CONTROL OF HIGH MATERIAL COSTS
SAVE UP TO 40% USING
POLY TUBE STOCK

Clamco's revolutionary in-line printing and bag-making system offers powerful advantages over conventional baggers:

- Optimizes low-cost polyethylene tubing for substantial material cost savings (also runs more costly bags on a roll)
- In-line thermal transfer imprinting at over 300 dpi, (Windows® driven)
- Bag lengths can be changed electronically, reducing material inventory and cost
- Today's ideal solution—for a vast array of food, medical, industrial and retail products!
