Black Lightning[™] GLOVE SERIES

Black Lightning[™] NITRILE GLOVE SERIES

INFORMATION AND SPECIFICATIONS:

Made of super strong 100% Quality Nitrile, The *Black Lightning*[™] Series provides the superior combination of durability, comfort, and protection against day-to-day hazards.

Black Lightning[™] Gloves have the added benefit of being chlorinated and quadruple leached to ensure the cleanest, most comfortable long wearing glove possible.

Recommended when:

- Working with chemicals or hazards
- Firm grip and enhanced tactile sensitivity are a must
- Superior comfort for extended wear

NEW ADDITIONS TO THE LIGHTNING GLOVES LINE!

The *White Lightning*™ Glove Series Extra thick 8 mil Reduced Latex Protein!

Made of super strong **Extra Thick Powder Free Reduced Latex Protein** it protects your hands and provides better barrier protection from oils, solvents, chemicals and bio-hazards than vinyl or other thinner latex gloves.

At 8 mils thick, the *White Lightning*™ is **stronger** than other disposable gloves, yet it still gives you the comfort you demand.

White Lightning™ Gloves are **additionally processed** to remove more latex proteins, which may reduce your risk of developing a latex sensitivity.
