

HSA Blister/Clamshell Sealer

Model: PPI214

Our 4-station rotary heat sealer for blister cards and clamshell packaging fits any budget and fits in any space. It has removable legs for table top use and large 12"x14" sealing area. It is an easy 1-3 person plug-in and run operation. It runs quietly and economically; and is suited for a variety of jobs such as blister cards, clamshells, and pharmaceutical applications. It can even be used as a press to cut plastic. The best part is that it is virtually maintenance free. Custom tooling can be made to accommodate much larger packages for warehouse clubs.

Features:

- 4-Station (manual) Rotary Table
- Self-Indexing Guide
- 12 x 14 Sealing Area (30 x 35cm)
